PALE MALT

Our Pale Malt is a quintessential Australian malt which can be used in any beer style.

Produced using Australian 2-row barley, it will impart a light, golden colour to your brews. It's clean with a light malty flavour

ALE MALT

Perfect base malt made from 2-row Australian barley.

Slightly higher kiln curing temperature means an enhanced malty character, ideal for fuller flavoured and/or hoppier beer styles.

AUSTRALIAN EXTRA PALE MALT

Australian Extra Pale Malt is an Australian-grown and produced, premium malt featuring the lightest colour of our range.

It is the quintessential Australian barley malt. Produced exclusively using Australian 2-row barley.

WHEAT MALT

When used in low percentage of the malt grist, Wheat Malt is great for increased body, mouthfeel and head retention.

It can also be used as a base malt imparting clean, wheaty flavours for classic wheat beer styles.

MUNICH MALT

Munich Malt is kilned longer and hotter than Ale Malt, with an early “stewing” stage that develops its rich colour.

Slightly darker than Vienna Malt, it can be used as a base malt to bring biscuity, nutty flavours and malt depth without excessive sweetness.

DARK MUNICH MALT

Dark Munich has a deeper, more robust malty sweetness versus its lighter Munich counterpart.

Imparting an intense bready character, it is best used as part of a fully charged specialty malt grist for darker beer styles.

USE

Dark Lager,
Dark Ale

VIENNA MALT

Vienna Malt imparts a low to medium malty sweetness and a light golden to soft orange hue to the finished beer.

It's perfect when used for European beer styles such as Vienna Lager, and Märzen as well as an all-round go to for extra body without excessive malty sweetness.

Vienna Lager,
Märzen

CARAMALT

Our Caramalt imparts an almost toffee-like golden hue, with a sweet caramel flavour.

It can be used liberally for most beer styles from your golden lagers through to your darker, maltier ales.

USE**

Amber Ale,
Porter, Dark Ale

CRYSTAL MALT

Crystal Malts deliver a richer caramel sweetness than lighter Caramalts, with hints of raisin and honey.

Ideal for adding body to lighter beers or as a key layer in darker styles like stouts and porters.

Pale Ale,
Dark Ale

EXTRA DARK CRYSTAL MALT

Dark Crystal Malt offers an intense toffee & caramel flavour with more contribution than Crystal Malts, verging on notes of raisin/sultana character.

They're great for building dark beers such as Stouts, Imperial Stouts and Porter styles.

AMBER MALT

Amber Malt is roasted from kilned malt to create a drier finish with light biscuity, toasty notes and deep reddish-brown hues.

It's a versatile choice for Bitters, Mild Ales, sweet Stouts and classic London Porters

**COLOUR

ROASTED MALT

Roasted Malt is roasted to higher temperatures in production. It has a rich chocolate and coffee flavour and aroma with a light astringency.

Our team carefully control the flavour by harnessing the pyrazines and pyrroles generated in the process of roasting.

NON-GN DISTILLING MALT

Non-GN Distilling Malt is produced from barley varieties free of Glycosidic Nitrile (GN), helping reduce ethyl carbamate formation during fermentation and distilling.

It also delivers high spirit yields and ample enzymatic power to convert a wide range of starches in the mash.
